### Walt's Notes

As we move into the month of July, we are going to take a look at “Claiming Freedom”. I say this because, for the Christian, freedom is not a quest. It is not something to work towards. It is a gift given to us by our God and celebrated through our relationship with Jesus Christ. All too often we think that our physical shackles, the ways of the world that bind us, holds us fast and tie us down. But in truth, by giving our lives over to Jesus, we become free. We need to realize that the gate is no longer shut, that the chains no longer bind us. The world can no longer keep us captive. The gift of freedom is ours to claim. We have been bought and are no longer captive to the ways of this world,
