Walt's Notes

January! A time of new beginnings. The door of 2020 closes and the door of 2021 opens. It is with excitement and expectation that we look forward to what this New Year brings to us as we lay the remnants of a most difficult year at the foot of the cross and pick up the challenge of making the world a better place in the name and grace of Jesus.

We face challenges ahead of us as we re-group and prepare for a world that will never be the way it was. We will take the lessons that we have learned, embrace the people around us and find community in unity once again.

May who created beginnings, who spoke and created the universe, who gives us life and teaches us His ways, who gave His son to bring us into a right relationship with Him reach into the depths of our souls and shine His light on the path before us. God bless you all! Rev Walt
