More than a Church - We're a Family

Newsletter for February 2021

Walt's Notes

I've always seen February as a hopeful month. We have gotten completed the rush and busy work of January after packing away Christmas for another year and we have the rest of the year to look forward to. I see it as a month to seek and explore new opportunities for growth in our personal lives and spirits. We are also looking forward to spring and Easter. February is time to take a deep breath and open our minds and hearts to the revelations that God has placed on our hearts for the coming year. I am so very optimistic about the days before us.

This month, our messages will be about exploring new opportunities as we seek God's will for our lives and our church. The greatest love that there has ever been is the love that God showed for us by sending His only son to earth as a sacrifice for our sins so that we can have a relationship with Him. Let's let him lead us into a renewed relationship by looking for Divine Opportunities.

Amazing
LOVE!
