### Walt's Notes

Can you believe that Marsh is already upon us? I feel almost rushed as we head into Easter, which is the first Sunday in April this year. We are going to be talking about "Lessons from the Table" this month as we transition into Holy Week. We will conclude our series on Easter Sunday. This is a great opportunity to invite your neighbors to church with you as we take the table of our Lord and apply it's lessons to our lives.

Celebrating communion every time we gather is central to our worship as Disciples of Christ. We try to see the table through the eyes of Jesus as He must have envisioned it. He personalized all who were present. He looked into their eyes and taught them the most important lesson that they would learn; the lesson of serving their fellow man, caring for each person with love, grace and mercy. He taught that we need to wash feet and serve those around us in order to find favor in the eyes of God.. It is our purpose. Rev Walt
