### Walt's Notes

It's May! A time to celebrate spring and newness of life. A wonderful reminder that God is constantly wiping the slate clean, each day bringing new perspective and a new purpose. Opportunities abound for us to enrich our community as well as our fellowship with one another.

This month we celebrate both Mother's Day and Pentecost (the birth of the church). Pentecost has always been an important day in the life of the church but it has come to hold a special meaning for me. It was on Pentecost Sunday, two years ago, that I first preached at FCCFS, and found a home among a fellowship of beautiful and gracious believers.

This month, we will learn from a series of messages "How Does Your Garden Grow?" I pray that you will receive blessings from these messages as I receive blessings from preparing them.

God bless you all!

Rev Walt
