More than a Church - We're a Family

Newsletter for August, 2022

Walt's Notes

Stepping into August, we continue our series on “The Beatitudes.” These blessings from Christ are meant to guide our faith and encourage us through our struggles. Each Beatitude addresses a life choice that we, as followers of Jesus Christ should embrace based on the circumstances around us. There are benefits and blessings in each choice.

As I write this, most of the United States is under a prolonged heat wave. We need to be mindful of the conditions of our families and neighbors. We should be watching for opportunities to serve those in our community that are struggling. We can also do our part by following the guidelines from the Public Utility Commission. They suggest setting the thermostat at 78*. At FCC, we turn on the air for worship well in advance of the service to insure that the sanctuary has time to cool down. Please do not let the heat keep you from joining us on Sunday morning

We have a number of congregation struggling with various difficulties right now. Please reach out to each other and see if you might be able to assist them. Also, stay careful as COVID is once again on the rise. We want everyone to stay healthy and safe.

On that same note, reach out to your friends and family and ask them to join you for church. Everyone is welcome at First Christian Church of Fort Stockton. Each of us needs to reach into the community and invite people to church.

God bless you all! Rev Walt
